With reference to the above, the requisite information is furnished as below:

Point No. 5 (a) All the employees of same designation of IASST under Assam State Govt. were not converted/re-designated to the same post/designation after taking over by DST, Central Govt. The re-designation process was made based on the pay scales enjoyed by the employees prior to the conversion not the designations hold by them.

The designation of employees prior and after conversion with corresponding pay scales cannot be provided as the same are personal in nature and have no relation to any public activity or public interest.

5 (b). Re-designation process was not a promotion/upgradation from the earlier post/designation. But the same was a process whereby existing posts of IASST under Assam State Govt. have been appropriately re-designated as per the Central Govt. pay structure for the purpose of pay fixation.
