Recruitment

The Institute of Advanced Study in Science and Technology (IASST) is an autonomous R & D institute under the Department of Science and Technology (DST), GOI engaged in multidisciplinary research on basic science and technology development. IASST has a research group focused on understanding the role of various ethnicity factors on human gut microbiome and health. One of the mandates of IASST is to enhance livelihood of the ST/SC communities of the north-east through scientific interventions. DST has sanctioned a proposal for expanding our ongoing activities under '**ST/SC community development programme in IASST**' with 2 components (Component I: Heritage food and beverage research and Component II: Lab experience based science education for SC/ST Students). Component II of the project is focused on enhancing student's ability to identify questions and concepts through lab experience based training that guide scientific intelligence. Applications are invited from potential candidates for filling up the post of Project Assistant. Deserving candidates with requisite qualification and experience may apply online on or before fifteen days from the date of publication of this advertisement.

1. Project Assistant (2 nos.)

Salary: - Rs. 12,500 (consolidated).

Essential Qualification: Graduate in Science.

Desirable: (i) Computer knowledge, (ii) Working experience in school.

Age limit: - 50 years.

How to apply: Interested eligible candidates may apply online only within 15 days of publication of this advertisement. Only shortlisted candidates will be called for the interview. Candidates should bring their original mark-sheets, certificates and other related documents at the time of interview. No TA/DA will be provided to the candidate for appearing the interview. Mere fulfilment of eligibility criteria does not entitle a

candidate to be considered for selection. The posts may not be filled if suitable candidates are not found. Members of the project team are expected to be very hard working with keen desire to contribute for societal development.
