2.4.3. Broad Scope of works: The broad scope of works of the proposed project are as follows:

The contractor is required to complete the Refilling & Servicing and Re-installation (including hose pipe, handles, nozzle etc.) of old Fire Extinguishers including the labeling of expiry date on each extinguishers through technically trained and experienced manpower as per approved rates and guidelines of Jr. Engineer /Sr. Engineer without any fault including replacement of damaged accessories as required as per Annexure-A. The contractor also need to supply fire fighting gears as prescribed in the Annexure-I. The Engineer in-charge will check the quantity and quality of the items and sign the delivery challan and installation report before final submission of the bill.

- 2.4.4. The competent authority does not bind him to accept the lowest or any other tender and reserves to him the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
 - 2.4.5. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contactors who resort to canvassing will be liable to rejection.
 - 2.4.6. The competent authority reserve to himself the right of accepting the whole or any part of Tender and the Tenderer shall be bound to perform the same at rate quoted.
 - 2.4.7. No Engineer of gazetted rank or other gazetted officer employed in engineering or administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government services, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
 - 2.4.8. The tender for the works shall remain open for acceptance for a period of 90 days from the date of opening of tenders. If any tenderer withdraws his tender before the said period or issue of letter of
-

acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the Institute, then the Institute shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.

- 2.4.9. If contractor fails to furnish the prescribed performance guarantee within prescribed period, the earnest money is absolutely forfeited automatically without any notice.
- 2.4.10. This notice inviting tender shall form a part of the contract document. The successful tenderer / contractor, on acceptance of his tender by the accepting Authority, shall, within 15 days from the stipulated date of start of the work sign the contract consisting of
- 2.4.11. The notice inviting tender, all the documents including additional conditions, specifications and drawings, if any, forms the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.
- 2.4.12. Standard CPWD Form -7/8 with up-to-date amendments and correction slips.
- 2.4.13. The tender document comprises of following three components :-

Part A – CPWD-6, CPWD-7/8 including schedule A – F for major component of the work, standard general condition of contract for CPWD 2021 or latest addition as applicable with all amendments/ modification.

Part B – General / specific condition, specification and schedule of quantities applicable to major component of the work.

Part C – Schedule A-F for minor component of the work. General / specific condition, specification and schedule of quantities applicable to the minor component works.

- 2.4.14.** The bidder must associate with himself, agencies of the appropriate class eligible to the tender for each of the minor component individually.
 - 2.4.15.** The eligible bidder shall quote rates for all items of major components as well as for all items of minor components of the work.
 - 2.4.16.** After acceptance of the tender by competent authority the letter of award will be issued by the IASST authority making it clear in letter of award that the contractor will have to execute agreement for different component of the work with the concerned authority of the respective discipline.
 - 2.4.17. Entire work under the scope of composite tender including all major and minor component shall be executed under one agreement.
 - 2.4.18. Security deposit will be worked out separately for each component corresponding to the estimated cost of the respective component of the work. The earnest money will become part of the security deposit of major component of work.
 - 2.4.19. **Additional condition for CPWD – 6:**
The bidder shall abide by the rules and regulations under relevant state GST Acts / value added tax Act etc. as amended from time to time. Deductions for GST on works contract labour welfare cess as applicable shall be made from the gross value of the work done from all bills as per the provisions of above stated Acts. Nothing extra on account of this deduction shall be paid. In case this amount is not found payable to the State Govt. at a later date due to subsequent decision of the Court or Govt. the amount already deducted or the balance yet to be deducted if any from the remaining work yet to be paid/done, the amount shall not be refunded/ paid to the contractor and contractor will have no claim for the same. The contractor may therefore quote his rates accordingly.
-

A.1 Before tendering, the tender shall inspect the site of work and shall fully acquaint himself the conditions with regard to site, its approach from main road, nature of soil, availability of materials, suitable location for construction of god owns, stores, labour huts and location of batching plant etc. the extent of leads and lifts involved in the work (over the entire duration of contract) including local conditions, traffic restrictions, obstructions and other conditions, and restriction by Authorities as required for satisfactory execution of the work. He should take into consideration all such factors and contingencies, while quoting his rates. No claim whatsoever shall be entertained by the Department on this account.

A.2. the Contractor(s) shall get himself acquainted with nature and extent of the work and satisfy himself about the availability of materials from kiln or approved quarries for collection and conveyance of materials is required for construction.

A.3 The Contractor(s) shall study the soil investigation report for the site, available in the Office of Engineer-in-charge and satisfy him self about complete characteristics of soil and other parameters at site. However no claim on the alleged inadequacy or incorrectness of the soil data supplied by the Institute shall be entertained.

A.4 The Contractor(s) shall give to the municipality, police and other authorities all necessary notice etc. that may be required by law and obtain all requisite licences for temporary obstruction, enclosures etc. and pay all fees, taxes and charges which may be liveable on account of his operations in executing the contract. He shall make good any damage to adjoining property, whether public or private and shall supply and maintain lights either for illumination or for cautioning the public required at night.

A.5 The rates for various items quoted by the tenderer shall apply for all the floors including terrace unless otherwise stated in the nomenclature of the items in the schedule of quantities attached with the tender.

A.6 No payment shall be made to the Contractor for any damage caused by rain, snowfall, fold or any other natural cause whatsoever during the execution of work. The damage to work shall be made good by the contractor at his own cost and not claim in the matter shall be entertained.

A.11 The contractor must study the specifications and conditions carefully before tendering.

A.12 The contractor shall have to make approaches to the site, if so required and keep them in good condition for transpiration of labour and materials as well as inspection of works by the Engineer-In-Charge. Nothing extra shall be paid on this account.

A.13 The work shall be carried out in such manner so as not to interfere or effect or disturb other works, being executed by other agencies, if any.

A.14 Any damage done by the contractor to any existing work shall be made good by him at his own cost. Otherwise the same shall be got done at his risk and cost.

A.15 The work shall be carried out in the manner complying in all respects with the requirement of relevant bye-laws of the local bodies under the jurisdiction of which the work is to be executed and nothing extra shall be paid on this account.

A.16 For completing the work in time, the contractor might be required to work in two or more shifts

including night shifts and no claims whatsoever shall be entertained on this account, not with standing the fact that the contractor will have to pay to the labourers and other staff engaged directly or indirectly on the work according to the provisions of the labour regulation and the agreement entered upon and or extra amount for any other reason.

A.17 The contractor shall make his own arrangements for obtaining electric connection(s), if required and make necessary payments directly to the department concerned. The department will however make all reasonable recommendations to the authority concerned in this regard.

A.18 The contractor or his authorised representative should always be available at the site of work to take instructions from department officers and ensure proper execution of work. No work should be done in the absence of such authorised representative.

A.19. The contractor shall maintain in good condition all work executed till the completion of entire work allotted to the contractor.

A.20 In case the proposed building is to be constructed in a plot where already some building is occupied, the contractor will take all safety measures for the safety of people using the building nothing extra shall be paid on this account.

A.21 The contractor shall take all necessary measures for the safety of traffic during construction and provide, erect and maintain such barricades,, including signs, markings flags, lights and flagman as necessary, at either end of the excavation/embankment and at such intermediate points, as directed by the Engineer-in-charge for the proper identification of instruction area . He shall be responsible for all damages and accidents caused due to negligence on his part.

A.22 The malba/garbage removed from the site shall be disposed off by the contractor at any suitable place as directed by the IASST authority.

A.23 All work and materials brought and left upon the ground by the contractor or by his orders for the purpose of forming part of the works, are to be considered to be the property of the President of India and the same are not to be removed or taken away by the contractor or any other person without the special license and consent in writing of the Engineer-in-Charge but the President of India is not to be in any way responsible for any loss or damage which may happen to or in respect of any such work or materials either by the same being lost or damaged by weather or otherwise.

A.24 The contractor will be responsible to provide potable and safe drinking water to labour engaged in execution of work.

A 25 The rates for all items of work, unless clearly specified otherwise, shall include the cost of all labour, materials, dewatering and other inputs involved in the execution of the items. Payment for centering/shuttering however, if required to be done for heights greater than 3.5 m shall be admissible at rates arrived at in accordance with clause 12 of the agreement if not already specified.

A.26 The contractor shall construct suitable Go down at the site of work for storing the materials safe against damage due to sun, rain dampness, fire, theft, etc.. He shall also employ necessary watch and ward establishment for the purpose and no extra claim whatsoever shall be entertained on this account.

A 28 Contractor may be required to execute the work under foul position. The decision of the IASST authority whether the position is foul or not shall be final and binding on the contractor.

A29 Safety, Security and protection for the environment:

The contractor throughout the execution and completion of the works and remedying of any

defects therein have full regard for the safety of the persons entitled to be on the site and keep the site in an orderly state appropriate to the avoidance of danger to such persons, provide and maintain at his own cost all necessary requirements and watching them where necessary required, take all reasonable steps to protect the environment on and off the site and to avoid damage to persons or to the property of the council or others resulting from noise or other causes arising as a consequence of his methods or repair.

A 30 Liquidity for damage for delay

If the contractor fails to attend any complaint or defect in due course of time and if in the opinion of the engineer delay is on the part of the contractor, the Council can impose liquidated damages on the contractor. The awarded work should be completed within the period of 30 days, if it is not completed within the time as specify in the work order then the liquidity damage @1% of the value of works per week up to maximum of 10 % of contract value will be imposed on the contractor

A 31 Time for Completion:

The work shall be completed within a period of Fifteen (15) days and shall start from the date of issue of the letter of commencement and shall stand terminated after the expiry of the period.

A32 Terms of payment:

Payment will be made only after successful completion of the work as per award letter and to the entire satisfaction of the Jr. Engineer / Sr. Engineer of the Institute and on submission of original bill indicating GST numbers. No advance payment shall be made in any case.

A33 Labour safety:

Contractor shall undertake all safety precautions during the execution of the work. In case of injury to any person contractor shall always have arrangement to take him to hospital for treatment at his own cost. Contractor will be fully responsible for any repercussions which may arise as a result of violation of any safety norms on his part.

A34 Default of Contractor

If the performance of the contractor is not found satisfactory or if the contractor fails to meet/fulfill any terms/conditions/obligations laid down in the bid document, the contractor shall be served a notice to take a corrective action within 7 days. If the contractor fails to rectify or conform, the employer shall be at liberty to terminate the contract without any further notice.

In the event of termination due to default of the contractor, the employer shall be at liberty to get the balance work done through other means at the cost, risk and responsibilities of the contractor. In the event of loss/damage of building, equipment etc of the employer due to negligence/carelessness of the contractor's staff then the contractor shall compensate loss to the employer.

B.31. GST (Goods and Service Tax)

Goods and Service Tax (GST) may be included by the Contractor in their quoted price. However if the Bidder does not include the GST with their quoted price, the Bidder shall indicate the rate of GST as per the format and submit along with the price Bid. Otherwise the total amount will be treated as GST Included.

Note:

1. IASST, if applicable, will reimburse the GST to the CONTRACTOR against submission of invoices issued in accordance with GST Rules,
2. Bidder shall furnish this Form duly filled in all respects along with his price part. However, Bidder is required to furnish the **Form indicating only the Rate of Duty /Tax (%)** as per Column (d) along with his un priced part.

Form of performance security (Guarantee)

Bank Guarantee Bond

In consideration of the Director, Institute of Advance Study in Science and Technology (hereinafter called "The Institute") having offered to accept the terms and conditions of the proposed agreement between _____ and _____ (hereinafter called "the said Contractor(s)" for the work _____ (hereinafter called "the said agreement") having agreed to production of an irrevocable Bank Guarantee for Rs.----- (Rupees _____ only) as security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

We, _____ (hereinafter referred to as "the Bank") hereby undertake (Indicate the name of the Bank) To pay to the Institute an amount not exceeding Rs. _____ (Rupees _____ Only) on demand by the Institute.

1. We, _____ -do hereby undertake to pay the amounts due and payable (Indicate the name of the Bank) Under this guarantee without any demure, merely on a demand from the Institute stating that the amount claimed as required to meet the recoveries due or likely to be due from the said contractor(s). Any such demand made on the bank shall be conclusive as regards the amount due and payable by the bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. _____ (Rupees _____ only)

2. We, the said bank further undertake to pay the Institute any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any court or tribunal relocating thereto our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be valid discharge of our liability for payment there under and the contractor(s) shall have no claim against us for making such payment.

3. We, _____ further agree that the guarantee herein contained shall (Indicate the name of the bank)
Remain in full force and effect during the period that would be taken for the
Performance of the said agreement and that it shall continue to be enforceable will all the dues of the Institute under or by virtue of the said agreement have been fully paid and its claims satisfied or discharged or till IASST authority on behalf of the government certified that the terms and conditions of the said agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this guarantee.

5.
