

Hands on training workshop on sophisticated instruments of SAIC, IASST

**Instruments: High-Performance Liquid Chromatography (HPLC)
&
Gas Chromatography-Mass Spectrometer (GC-MS)**

(IASST) will conduct hands on training workshop on High-Performance Liquid Chromatography (HPLC) & Gas Chromatography-Mass Spectrometer (GC-MS) to generate skilled human resources for academic and industrial sectors.

Minimum Educational Qualification: B.Sc./B.Tech.

Venue of the Course: SAIC, IASST

Medium of Instruction: English

Duration: HPLC - 2 days (March 24-25)

GCMS - 2 days (March 26-27)

Registration Fees: Rs. 2000/- (Inclusive of GST) per instrument, Registration will be done only through online mode

Last Date of Registration : 15th March 2026

Seats Available: 5 nos. (per instrument) (Shortlisting will be based on first come-first service policy in online registration and eligibility criteria of the workshop)

Register Now  <https://forms.gle/PX3rQ98isxQzeoPg6>

The workshop will cover:

- (i) About the instrument***
- (ii) Introduction to basic working principles***
- (iii) Method development***
- (iv) Hands- on training***
- (v) Data processing and analysis***

Salient Features of the workshop:

- ❖ *Focus will be given on practical sessions*
- ❖ *Hands on training will be provided by experienced scientific persons*
- ❖ *Skill development, evaluation and certification*
- ❖ *Lecture and case study with Group discussion/interactive sessions in the last day*
- ❖ *Registration will be done only through online mode*
- ❖ *Working Lunch will be provided, TA & lodging facility will Not be provided by IASST*
